Position is open, Electrical Insp. Josh Zimmerman & Mechanical Insp. Robert Neymeiyer. We are currently using SafeBuilt for plumbing inspections. We are searching for a local plumbing inspector, but the current law requires an inspector to put their plumbing license on hold while employed as an inspector. We are working with Representative Greg Alexander to get this law changed. If you know of anyone interested have them contact us. This would be a perfect side job for a retired plumber. Call City Hall for current Plumbing Inspection requirements.

Council meetings are held on the 2nd Monday of each month at 5:30 p.m. at City Hall. October meetings are held at the Historical Building.
